## REEVES' PREDICTION.

Counsel For Woman Resume Argu-  
ments Before Caminetti and Ask  
For Her Release.

Washington, Oct. 20.—A double in-  
quiry in Washington today will dis-  
pose of the case of Mrs. Emmeline  
Pankhurst, English militant, knock-  
ing at the doors of this country for ad-  
mission, so far as the executive branch  
of the government is concerned, a  
hearing before Commissioner General  
of Immigration Caminetti this morn-  
ing being the first, followed by a con-  
ference at the White House.

Although Mr. Caminetti claimed  
that he had no knowledge of any con-  
ference to be held at the White House  
today regarding the Pankhurst case,  
he did not expect to see President  
Wilson in regard to the matter, it was  
confidently expected by those in close  
touch with the situation that the mat-  
ter would not be finally disposed of  
until President Wilson had talked with  
Secretary of Labor Wilson or Cami-  
netti.

Before the commissioner general's  
finding in the case becomes effective  
it must be approved by the Secretary  
of Labor, who has the power to re-  
verse any previous finding.

"Mrs. Pankhurst will be released  
from Ellis Island today in time to  
eat dinner in New York City. I have  
no fear that she will not appear in  
Madison Square Garden tonight."

That was the prediction made by  
Herbert Reeves, attorney for the En-  
glish militant just before the opening  
of the fourth hearing before Com-  
missioner General of Immigration  
Caminetti this morning, at which it  
was expected that he would definitely  
decide the case of Mrs. Pankhurst, as  
far as the Department of Labor was  
concerned.

## REBELS DYNAMITE TRAIN.

Forty-Six Federals Killed When Mine  
Under Track Explodes.

Mexico, City, Oct. 20.—Forty-six  
federals had been killed by the dynam-  
iting of a troop train, a short dis-  
tance north of Saltillo, according to  
information from a reliable source.  
The troops were proceeding from  
Mexico City to Torreon. There were  
97 cars containing 1,500 men in the  
train, which ran over a rebel mine.  
The locomotive and two coaches  
were destroyed. The government au-  
thorities disregarded a warning, it is  
said, to send the train over another  
route.

## FIRE IN EAST ST. LOUIS.

Railroad Terminal and Portion of  
Business Section Threatened.

St. Louis, Mo., Oct. 20.—The entire  
railroad terminal of East St. Louis,  
one of the largest in the United  
States, and a portion of the business  
section of the city, were threatened  
with destruction by fire which began  
on the banks of the Mississippi river  
last night and spread rapidly in three  
directions. At midnight the loss was  
believed to be several hundred thou-  
sand dollars, and the fire was still be-  
yond control.

In the flame-swept district were the  
properties of the Advance Grain Co.,  
the Chicago and Alton freight house,  
the Baltimore and Ohio freight house,  
and many other buildings. Hundreds  
of cars were burned in the railroad  
yards.

Shortly before midnight the eleva-  
tor of the Advance Grain Company,  
where the fire is believed to have origi-  
nated, collapsed.

The fire spread to the Clover Leaf  
Warehouse and the business section of  
East St. Louis.

Don't forget that the Rammel Cafe  
handles the famous Cherystone  
oysters—fresh daily and served in all  
styles.

## NEWS OF THE DAY.

Four persons were killed and one  
is dying at Charity Hospital in New  
Orleans, as the result of an accident  
when a switch engine crashed into an  
automobile at City Park Avenue and  
Terminal crossing Saturday. The car  
had just been purchased and was be-  
ing demonstrated by Samuel Close.  
The locomotive struck the automobile  
squarely dragging it and its human  
freight 300 feet before it could be  
stopped.

Four persons were killed and one  
probably fatally hurt Saturday at La  
Porte, Ind., when an automobile driven  
by Edwin W. Schurz, treasurer of a  
piano company, was struck by a Pere  
Marquette freight train. The accident  
happened at what is known as the  
most dangerous grade crossing in  
northern Indiana. The dead are Ed-  
win W. Schurz, Laporte; Mrs. Fannie  
P. Heinze, Laporte; Mrs. Carleton  
Shafer, Laporte; Mrs. William Bruce,  
Washington, D. C. Edwin W. Schurz,  
of Laporte, who was driving the car  
was seriously injured.

The Paris Figaro has received in-  
formation that a group of Mexican  
statesmen, whose names are not dis-  
closed, have approached the French and  
British governments, calling attention  
to the resulting advantages if the  
United States were not the sole pow-  
er directly intervening in Mexican af-  
fairs. The Tokyo correspondent of  
the Paris Matin says that the Japa-  
nese government has decided to send a  
cruiser to Mexico. The military at-  
taches of the Japanese embassy at  
Washington, has arrived at Mexico City.  
He is said to be on a special  
mission of observation.

Nineteen soldiers of the 170th com-  
pany of United States coast artillery  
and one member of the thirty-ninth  
company were killed and one hundred  
others injured yesterday afternoon  
when a special troop train on the Mo-  
bile and Ohio railroad crashed through  
a trestle near Steelville, Miss. The  
wreck was caused by the engine ten-  
der jumping the track when about 200  
feet from the trestle. The engine  
was not derailed and passed over the  
trestle. The tender broke loose from  
the engine, however, and with the  
baggage car and three coaches, plun-  
ged 25 feet to the ground.

The grand stand and the club  
house of the Havre de Grace, Md.,  
race track were razed by a disas-  
trous fire of mysterious origin early  
yesterday morning. The structures  
will be renewed.

John H. Hogan, first secretary-  
treasurer of the Lock Haven, (Pa.),  
Trust and Safe Deposit Company, of  
Philadelphia, committed suicide yester-  
day by jumping from the fifth  
story of the Orthopaedic Hospital. He  
evaded his nurse, dashed to the win-  
dow and threw himself out. Mr. Furst,  
who was 42 years old, had been a pa-  
tient in the hospital for five weeks  
suffering from a nervous affliction.  
Mrs. Furst was preparing to leave  
her home in Lock Haven yesterday to  
visit her husband when she received  
news of his death.

Militant suffragists in London in-  
troduced a new idea into their cam-  
paign for votes yesterday evening.  
Entering four of the largest London  
churches, the effectively broke up the  
morning service by chanting a prayer  
for Mary Richardson and Annie  
Kenney, who are being forcibly fed  
in jail. They also added to these pray-  
ers loud protests against Mrs. Pank-  
hurst's expulsion from the United  
States. Fifteen American women  
joined the suffragists in their "raid"  
on St. Paul's Cathedral, where the  
Bishop of London was preaching. They  
were ejected and the police prevented  
their holding a meeting on the steps.  
Similar scenes were enacted at St.  
Luke's, Kensington, and at the Bir-  
mingham and Norwich Cathedrals.

## DEATH OF DAVID C. BAILEY.

David Cleveland Bailey, 29 years  
old, employed as a train dispatcher  
in the office of the Southern Railway,  
died at the Alexandria Hospital at 3  
o'clock yesterday morning. He was  
operated on several days ago. The de-  
ceased was a son of Mrs. Hannah  
Bailey and the late David Bailey, of  
Culpeper, Va., and was unmarried.  
The body was sent to Culpeper, where  
the funeral will be held this after-  
noon.

## CARDINAL PREACHES.

Monsignor Bonzano Celebrates Pon-  
tifical High Mass—Will be in Ses-  
sion Three Days.

Boston, Oct. 20.—Yesterday Boston  
was the scene of a convocation of Catho-  
lic clergymen, such as this country  
has not witnessed since the second  
Baltimore council twenty-five years  
ago. More than eighty bishops and  
archbishops, besides a host of lesser  
church dignitaries from all parts of  
the United States, Canada, New-  
foundland, Mexico, Cuba and the  
Philippines, participated in the open-  
ing ceremonies of the American  
Catholic Missionary Congress at the  
Cathedral of the Holy Cross. While  
the sessions of the congress proper  
did not begin until this morning,  
most of the clergymen were present  
at the ceremonies yesterday morning.

The ceremonies at the Cathedral  
were opened by a procession in which  
the clergymen wore their full vest-  
ments. The procession was headed  
by Cardinal O'Connell, archbishop of  
Boston, followed by the chaplains of  
the Cathedral, Mr. William J. Dooley,  
private chamberlain to Pope Pius X.;  
Rev. Joseph F. Copping, the P. R.  
Court and diocesan council and cathe-  
dral guild. Then Most Rev. Mon-  
signor Bonzano, the papal delegate to  
the congress, and officers of the mass,  
followed by the visiting archbishops,  
bishops, prelates of the papal house-  
hold, clergy, seminarians and the cathe-  
dral sanctuary choir.

After the participants in the pro-  
cession had been seated in the cathe-  
dral, Monsignor Bonzano celebrated  
the pontifical high mass, and Cardinal  
O'Connell preached the sermon. The  
pontifical vespers and the benedi-  
ction were celebrated in the cathe-  
dral in the evening by Most Rev. Neil  
McNeil, archbishop of Toronto, and  
chancellor of the Catholic Church Ex-  
tension Society of Canada. The ser-  
mon was preached by the Right Rev.  
Michael F. Fallon, bishop of London,  
Ontario. At the same time pontifical  
vespers and the benediction were  
held in seventy-five churches in the  
diocese of Boston.

The formal sessions of the congress  
opened this morning, at Symphony  
Hall. The congress will close on  
Wednesday evening with mass meet-  
ings in Boston and a number of the  
larger towns in the Metropolitan  
District.

The opening address this morning  
was delivered by the Most Rev.  
James E. Quigley, archbishop of Chi-  
cago and chancellor of the Catholic  
Church Extension Society in the United  
States. An address on "The  
Spirit of Congress" will be given by  
the Right Rev. Joseph Schrembs, bis-  
hop of Toledo, Ohio.

The afternoon session today will  
be devoted to the foreign missions.  
The principal address will be given  
by the Rev. Dr. Joseph McGlinchey,  
director of the propagation of the  
faith in the archdiocese of Boston.  
The heads of the various foreign mis-  
sion societies will join in the discus-  
sion.

The discussion of home missions  
will occupy the time of the congress  
at tomorrow morning's session. The  
principal paper will be prepared by  
the Very Rev. Dr. Kelley.

In the afternoon the session will  
take up the consideration of the im-  
migration problems. The Right Rev.  
P. J. Muldoon, bishop of Rockford,  
will deliver the address.

On Wednesday morning the con-  
gress will consider the missionary  
conditions in the Philippine Islands,  
Porto Rico, and other American pos-  
sessions. The session will be opened  
by an address by the Right Rev. D.  
J. Dougherty, bishop of Jaro, P. I.

The closing session of the congress  
on Wednesday afternoon will be  
given over to solutions presented for  
missionary difficulties. Following a  
paper on the subject, by the Right  
Rev. J. F. Regis Canavin, bishop of  
Pittsburgh, a general discussion will  
ensue, based on the paper.

## BELLE PRE BOTTLE CO.

Several Hundred Skilled Workmen  
Will be Added to City's  
Population.

The announcement published in the  
Gazette Saturday that the Belle Pre  
Bottle Company has been purchased  
by the Old Dominion Glass Company  
and will be reopened on November  
1st, as a branch of the latter com-  
pany for the manufacture of glass  
milk bottles, means much to Alexan-  
dria as it will add several hundred  
employees to the factories of the  
city, many of whom will be high paid  
glass blowers from different sections  
of the country.

The Belle Pre Company, which was  
largely financed by Washington capi-  
tal, went into the hands of receivers  
a year ago. It was later sold to a  
committee of the bondholders, with  
F. B. Horner, of Washington, as  
trustee and it was from the latter  
that the purchase was made Satur-  
day by the Old Dominion Company.  
Extensive repairs are to be made  
in the buildings and machinery,  
ready for the commencement of op-  
erations on November 1st.

COURT OF APPEALS  
WILL HEAR CASETribunal Grants Appeal of  
Alexandria From The  
Circuit Court.

## TO BE FAR-REACHING.

Many Points to be Determined of  
State-Wide Interest — Voluminous  
Record.

Important legal points bearing on  
the whole question of annexing of  
territory to cities and which may have  
a far-reaching effect in the final deter-  
mination of the problem in Richmond  
are to be passed upon by the Su-  
preme Court of Appeals of Virginia.  
As was stated in the Gazette on Sat-  
urday an appeal was granted by Judge  
Keith in the case of the City of Alex-  
andria against Alexandria county and  
Fairfax county from a decree of the  
Circuit Court of Alexandria county,  
in which the annexation petitioned for  
was refused.

The council of the City of Alexan-  
dria adopted an annexation ordinance  
which was approved by the Mayor on  
December 29, 1911. In accordance  
with the law governing annexation,  
the city on June 27, 1912, moved the  
Circuit Court of Alexandria county,  
in which county the greater part of  
the territory proposed to be annexed  
lies, to order the annexation of the  
territory described. In accordance  
with law, which prohibits the local  
judges from sitting in such cases, the  
Governor designated Judge Bennett T.  
Gordon, of the circuit composed of  
Amherst, Fluvanna and Nelson coun-  
ties, to hear the case in vacation. The  
proceeding was argued and submitted  
on November 14, 1912, and the judge  
on January 18, 1913, entered an order  
dismissing the motion and denying the  
request of the City of Alexandria for  
additional territory.

From that order the city appeals.  
The record in the case is one of the  
most voluminous that has come before  
the Supreme Court in some time. Bond  
in the sum of \$2,000 was required by  
Judge Keith. The city's petition was  
presented by John M. Johnson,  
Samuel G. Brent, and Samuel P. Fish-  
er, the latter the attorney for Alex-  
andria.

The present corporate boundaries  
of Alexandria include 713 acres. The  
total land desired to be annexed  
amounts to 1,316 acres, of which 180  
acres are covered by the waters of  
Hunley Creek, the land running to the  
center of that creek, in order to se-  
cure the city necessary drainage  
rights.

The land in Alexandria county de-  
sired is 866 acres, and that in Fairfax  
county 450 acres. The two counties  
joined in opposition to the annexation  
on the ground that it would take  
away a large proportion of their tax-  
able values. The petition states that  
much of the land has already been  
subdivided and sold in building lots.  
In the present city limits steam rail-  
road lines with depots and yards oc-  
cupy more than five miles of streets,  
substantially destroying for residen-  
tial purposes more than fifty blocks.

Tables gives the population of Alexan-  
dria at the last census at 15,320. Of  
all the cities in Virginia, in this state,  
the largest population per square mile,  
Richmond second, with 11,602 people  
per square mile.

Will Meet in Danville Tomorrow—  
Delegates From This City.

terian Synod will meet in Danville to-  
morrow, Rev. Dr. John Lee Allison  
and J. N. Gibbs will represent the  
Second Presbyterian Church of this  
city, with A. G. Uhler as alternate.

The year 1911-12 was marked with  
decided increase in activity in the  
work of foreign missions by the Syn-  
od and by large increase in contribu-  
tions to this cause from every Pres-  
bytery. The amount contributed in  
that year was \$2,690, and it is prob-  
able the committee on foreign mis-  
sions will report a large increase over  
these figures for this year, due, in  
part, to the payment by this synod  
of its proportion of the foreign mis-  
sion adorning the present year.

The gift of the Woman's Synodical  
Union to foreign missions last year  
amounted to \$20,282. This union has  
a membership of 7,175.

port News, is retiring moderator of  
the synod, and he will preach the ser-  
mon when the annual session

Power Smith, of Richmond.

## SENTENCED TO DEATH 5 TIMES.

But Negro Places Faith in Rabbit's  
Foot and is Not Afraid.

Birmingham, Ala., Oct. 20.—Prob-  
ably the only man who has ever fac-  
ed a death sentence six times on the  
charge of murder will be tried again  
by the court of Anniston, in this state,  
late this month, or early in November.  
The prisoner is Ervin Pope, colored,  
who is charged with killing J. B. Mc-  
Closin, a prominent planter of Ox-  
ford, near Anniston, in April, 1909.

Pope will face a death sentence with  
the assertion of his innocence, after  
having been sentenced to death five  
times. The prisoner has never shown  
the slightest trace of fear. He said he  
carried in his pocket during all the  
trials the left hind foot of a rabbit  
"killed in a graveyard on a moonlight  
night," and this has saved his life five  
times.

fine and costs.

ALLEGED PLOT  
TO SELL OUTArrest of Deputies Said to  
be Part of Huerta's  
Game.

## CONFERS WITH REYES.

Former Minister Predicts Speedy End-  
ing of Present Regime—Dictator in  
Fiery Rage.

Laredo, Tex., A Oct. 20.—Advice  
just received here by agents of the  
constitutionalists indicate something  
more than a mere mad outbreak on  
the part of Huerta in his imprison-  
ment of the deputies and declaration of  
his dictatorship.

It is stated that the threatened dis-  
closure of a plot to sell the presiden-  
tial election to the highest bidder  
among the foreign financial interests  
precipitated Huerta's action and caused  
the arrest of the deputies to pre-  
vent them from blocking his game.  
The story, as it reaches here, is  
that Raulfo Reyes, former minister  
of justice, was made aware of the plot  
to sell the presidency, by confidential  
agents of Huerta, who thought to in-  
duce him for Diaz and the French in-  
terests to bid against the others. He  
humored the idea and had an inter-  
view on the subject with Huerta.

According to the story told the  
agents of the Constitutionalists here,  
he led Huerta along with arguments  
and covert suggestions until Huerta  
made him a direct proposition that he  
would consider a bid of \$2,500,000.  
Reyes then told Huerta plainly that  
he had no offer to make, and that  
Diaz would be president without pay-  
ing anything, whether Huerta wanted  
him or not.

He told Huerta that Diaz would ac-  
complish his overthrow within ten  
days, whereupon Huerta, in a frenzy,  
struck Reyes and tried to kill him.  
He was prevented, but the same  
night, had the minister of justice  
thrown into prison, where he remains.

## WILD BEASTS IN LEIPZIG.

Tiger and Lions Liberated in Colli-  
sion With Street Car.

Leipzig, Saxony, Oct. 20.—When a  
street car collided with a circus wagon  
at midnight it liberated one tiger and  
eight lions and Leipzig was in an up-  
roar until after daylight today.

The female trainer of the animals  
succeeded in recapturing the tiger,  
but lions had a merry time until the  
police killed six and roped two. One  
lion placed into the driver's seat of an  
auto bus and dispossessed the chauff-  
eur, to the discomfort of the pass-  
engers. A policeman shot the beast  
from his perch.

Five other lions were shot down in  
the streets. Two more broke through  
the plate glass front of the Bluecher  
Hotel and held high carnival in the  
corridors all night. The hotel was  
crowded with guests who had attend-  
ed the military celebration on Satur-  
day. The guests, screaming with ter-  
ror, barricaded themselves in their  
rooms and distracted the clerks with  
calls for help. Some were for es-  
caping through the windows, but  
quickly crawled back when they saw  
and the turmoil in the street below.

The police reserves, the fire depart-  
ment, and the troops quartered within  
the town were called upon to capture  
the lions and restore order. A thick  
fog added to the terror of the night  
and the whole city was in a panic.

The two lions in possession of the  
hotel were recaptured at day break  
and led off to the police station, where  
their execution was ordered, despite  
the frantic pleading of the woman  
trainer, who followed the police, beg-  
ging for the lives of her pets.
